

# CHRISTMAS GIFT DRIVE

**Foster Hope is collecting new, unwrapped gifts for children aged 1-18 years.**

**Christmas is a stressful time of the year where child protection agencies around the country see a big increase in child abuse and crisis management cases. We want to ensure that if a child is suddenly placed in a new home at this time, that the foster family is not caught short with nothing under the tree for this child.**

**The deadline to donate is the 10th December. We ask that gifts are not wrapped so that the social workers can best match the gifts to their children in care.**

**Thank you so much for your support of this drive.**
